

ARRL Division News

Hudson Division

Dear ARRL Members,

Thank you for your trust and support in electing me as your Hudson Division Director. I also want to extend my sincere gratitude to each of you for your continued membership in the ARRL.

Now that the election cycle has concluded, it's time to focus on important initiatives and projects that will shape the future of our division. I have a few key tasks underway and would greatly appreciate your participation in the following:

1. Division Convention Committee

We are looking to restart the division convention, and I need volunteers to form a committee to help plan and organize this event. Ideally, I'd like to have two volunteers from each section. If you're interested, please reach out to me as soon as possible.

2. Speakers Bureau

We are compiling a list of members who can serve as speakers for local clubs and events. There are many qualified individuals within our division who can deliver valuable presentations on a variety of topics. If you'd like to be added to the Speaker Bureau, please get in touch.

3. Assistant Director Positions

If you've served as an Assistant Director in the past and would like to continue in that role, or if you'd like to nominate someone for this position, please contact me. I'm eager to work with a strong and dedicated team.

4. VE Team Support

For any clubs or VE teams navigating the new VE procedures through ExamTools, we're here to help! Our team on Long Island has been using this system successfully for the past few months, and we'd be happy to assist you in implementing it in your area.

Upcoming events in the Hudson Division:

1. Fairlawn ARC Annual Auction

Date: Friday, November 29, 2024

Location: Fairlawn Senior Center

For more details, visit: [FLARC Auction](#).

2. NLI Section Convention & Ham Radio University

Date: Saturday, January 4, 2025

The NLI section convention will once again be held alongside Ham Radio University.

More information: [Ham Radio University](#).

3. Winter Field Day

Dates: January 25-26, 2025

It's an exciting opportunity for clubs to participate in winter operations!

Clubs are encouraged to share their plans for participation.

I'm excited about the opportunity to collaborate and help strengthen our division. Together, we can accomplish great things! If there's anything else I can do to support your efforts, don't hesitate to reach out.

Wishing you and your family a wonderful Thanksgiving filled with joy, good health, and plenty of time to reflect on all the things to be grateful for. Looking forward to what's ahead!

73,

Ed Wilson, N2XDD

ARRL Director
